Northwest Mosquito and Vector Control Association

FIRST CALL FOR PAPERS

Annual Fall Meeting

Sunriver, Oregon

October 20-21, 2027

The Northwest Mosquito and Vector Control Association is accepting paper titles and abstracts for the upcoming NWMVCA Fall Meeting. Papers related to all aspects of mosquito and other vector control are welcome. This is a great opportunity to share your latest research findings and operational developments with vector control professionals in the Pacific Northwest and beyond! Please submit your title and abstract via email to:
